

TEERAPAT PROMSOPA

Hard Skills

- **Programming:**
 - Python , C , C++
- **Web Development: (Basic)**
 - HTML , CSS , JavaScript ,Node.js
- **Embedded Systems:**
 - Arduino , FRDM-K64
- **Tools:**
 - Excel, Postman , Github
- **Basic Machine Learning**

Soft Skill

- Communication
- Teamwork
- Creative Thinking

Profile

- Nickname : Teen
- Date of Birth : 10/06/2003
- Gender : Male
- Nationality : Thai
- Region : Buddhism

Contact

-  061-775-7936
-  Teenteeraphut@gmail.com
-  Samut Prakan, Thailand
-  TeerapatPDev (TeerapatProm)
-  Teerapat Promsopa

Language

- Thai
 - **Native**
- English
 - **Intermediate**

Interest

- New technology & Automation
- Investment
- Game Development

I am an engineering student who loves software development and automation systems. I enjoy creating apps that use automation technology to make tasks easier and more efficient. I like solving problems, helping others, and working with teams. I'm always excited to learn new things and improve my skills in technology and programming to become more professional.

Education

- **Bangkok University** **2022 - In progress**
Computer and Robotics Engineering
GPAX 5 Term : 2.90

Academic Project

Digital clock

2024

- Built a digital clock using microcontrollers, focusing on timers and 7-segment displays.

Machine learning Project

2023

- Developed a Python script to clean, sort, and visualize Excel data.

Vending Machines Model

2023

- Designed a vending machine prototype using Arduino servo motors and a keypad.

Personal Project

IoT Dashboard Web

- Developed an IoT system using Arduino and sensors, sending real-time data to a responsive web dashboard built with HTML, CSS, and JavaScript. Integrated both hardware and software components to monitor sensor values effectively.

Personal Portfolio Website

- Created a fully responsive personal website using HTML, CSS, and JavaScript to showcase projects and skills in web development.

Certificated

Born to Dev: Microsoft Excel, JavaScript,Node.js

Cisco: Computer Hardware Basics
